Technology for Living Life Well

K4Community creates great experiences for residents both in the home and throughout their community.

With K4Community, residents, and their families, benefit from innovation that's designed for Simpler, Healthier and Happier lives.

Personalized and Purposeful

K4Community creates great experiences for residents both in the home and throughout the community. Customized to your comfort and needs, residents benefit from:

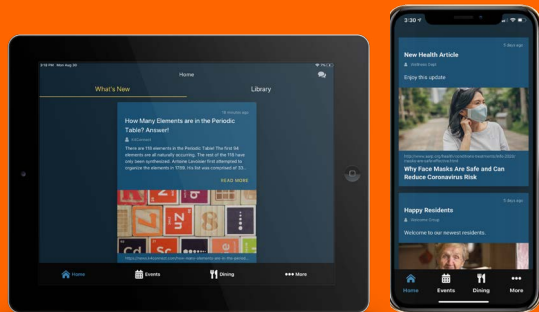

- Smart Environments (Home Automation)
- Resident Check-In
- Voice Control with Amazon Alexa
- Community Engagement
- Family Communications
- Connected Wellness

"I think the K4 App is a useful tool in our community. I enjoy using it!"

- Bob G. (Resident)

The K4Community Plus Advantage
