

K4Community Digital Signage

Customized Content, On Display

K4Community Digital Signage is more than just signage.

With Digital Signage, you stay up to date, via high-quality digital content, no matter where you are in the community.

For You

- View Community information bulletins in multiple locations and formats
- Stay involved with reminders of upcoming community events
- See last-minute event or activity changes on a nearby digital sign
- View daily menus and dining specials

For Your Visitors

- Gain insight into breadth and depth of community activities
- See recent Community photos

K4Community Plus is available on iOS, Android and at K4Community.com
